McGuffey's Eclectic School Books. THE attention of teachers and friends of Education in Inlooks. It is believed that they are, all things considered, better dapted for use in the schools and academies of the west than any other similar series extant. One of the best evidences of this is to be found in the fact of their immense popularity, (millions having been sold) and rapidly increasing sale. The publishers are happy to state that in many important

piaces in Indiana, their books have recently been adopted as text books to the exclusion of all other competing works. Richmond, Indianapolis, Cambridge City, Connersville, Hagerstown, Centre ville, Laurel, Port Wayne, Logansport, Lafayette, Covington, and Crawfordsville, are among the places where these books have The following appeared in the Terre Haute (Ia.) Express: To the Teachers of Vigo County, Indiana.

We, the undersigned, laving for our object the adoption of a uniform series of Elementary Books, in the schools of Terre Haute other supposed Vermifuges demand. During its brilliant career, it | Three Arithmetics of "Ray's Series," and Mitchell's Geography
